### Entry Rules:

The eligibility of a swimmer will be determined by his or her age on June 6, 2026.

Rules from the current USA Swimming Technical and Administrative Rules will be in effect.

Entries must be submitted electronically, using Hy-Tek, Team Unify or compatible Software and emailed to [jjock@goTRIBS.org](mailto:jjock@goTRIBS.org).

Team entries must be received by **Monday, June 1, 2026 at 9:00 PM. Custom times are preferable over NT entries.**

Please be certain you receive a reply confirming receipt of your entries; follow up if you do NOT receive a reply.

The host team reserves the right to enter its own swimmers in the meet at any time. If the meet is oversubscribed or undersubscribed, Meet and/or Session Start Times may need to be changed. In the event the meet is oversubscribed, the Meet Director and Meet Referee will work together to determine how entries are removed, with the best interest of the swimmers in mind. Lane configuration may be that of 6-8 lanes allowing for 1 or 2 outside lanes to be used for continuous warmup and warmdown. Breaks may also be added as needed. **Attending teams will be notified of any changes via email and all changes will be posted to the AD Web Site.** Any fees paid for cut entries will be refunded. If you have any questions or need any help, please contact Joshua Jock at (518) 524-1295.

**This meet will have 1 Session. In a timed finals meet, such as this, a swimmer may compete in not more than six (6) individual events per day. There will be positive check-in for ALL EVENTS.**

Events will be scored by the Hy-Tek Age Group Point System to determine High-Point Age Group Winners.

202.3.2 At a sanctioned competitive event, USA Swimming athlete members must be under the supervision of a USA Swimming member coach during warm-up, competition, and warm-down. The Meet Director or Meet Referee may assist the swimmer in making arrangements for such supervision, but it is the swimmer's responsibility to make such arrangements prior to the start of the meet.

202.3.4A Any swimmer entered in the meet must be certified by a USA Swimming member-coach as being proficient in performing a racing start or must start each race from within the water without the use of the backstroke ledge. When unaccompanied by a member-coach, it is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.

### USA Swimming Registration:

**No swimmer will be permitted to compete unless the swimmer is a member as provided in Article 302**

All registrations are completed using the USA Swimming Online Member Registration (OMR) system.

Refer to the AD web site, "USA-S Registrations" page for information.

Adirondack Meets are reconciled for current USA Swimming Registration. Unregistered or expired swimmers will be removed from the meet.

Athletes 18 or older MUST have completed the APT to be compliant and allowed to swim in meet.

AD swimmers must have Confirmed Birthdates to swim age specific events.

Legal ID must be sent to the LSC Registrar for new members or members new to AD.

Direct registration questions to the Adirondack Registrar, Bill Faucett [office@adironackswimming.org](mailto:office@adironackswimming.org)

## Swimming Events:

**Positive Check-in will be required for ALL EVENTS, as indicated in the meet schedule.**

Any swimmer not checked in by the Positive Check-in Deadline will be scratched. All events will be swum as timed finals. Fly-over starts will be in use; please inform your swimmers prior to the meet. **12 & Under swimmers are to line up in the bull pen area for the 25-meter events only. 25-meter events will start from the Deep End. The starting blocks are in the Shallow End for All Other Events.** Lane configuration may be that of 6-8 lanes allowing for 1 or 2 outside lanes to be used for continuous warmup and warmdown. If necessary 5-minute breaks between events may be added into any session.

## Warm-Ups:

Because of the large number of injuries occurring across the country during warm-ups, USA Swimming allows no diving into the pool during the warm-up period except in the designated sprint lanes. We ask that you inform your swimmers of this rule and ask them to fully cooperate with the club officials and marshals in charge of the area. A warmup schedule will be posted after 6/01/26 on the Adirondack website ([www.adirondackswimming.org](http://www.adirondackswimming.org)).

## Timers:

Clubs will be required to provide timers based upon their number of entries. Lane assignments will be posted to the Adirondack Swimming website ([www.adirondackswimming.org](http://www.adirondackswimming.org)) and in the meet program.
